

## Literacy

In preparation for writing moderation, mornings will be dedicated to creating two pieces of writing evidence, over the next two weeks. The children will begin Summer 2 by writing a persuasive letter and a non-chronological reports. Flotsam, by David Weisner, will be the key text which will be used as the stimulus for the children's writing. The children will continue to develop the following skills:

- Use a wide range of clause structures in their sentences;
- Include further information by adding embedded clauses;
- Vary their sentence openers by using fronted adverbial phrases and
- Include a wide range of punctuation such as hyphens and brackets.

## Science

As part of the science curriculum, sex and relationships education (SRE) will be a focus this half term. The children will:

- Know how, and understand why ,close relationships are formed, especially during adolescence;
- Understand why friendship is important in the establishment of close relationships and
- Know about, and understand, that physical, mental and emotional changes that take place during puberty.

### Annual Production

We are delighted to announce, after our recent to Lyceum , that 'Annie' will be our production focus this year. This is a story about a young orphan girl and her adventures in finding a family.

## Eco Warriors

Is water a finite resource that should be conserved ?  
What does it mean to be a global citizen?

During our learning in Theme, which focuses on global sustainability and other environmental issues children will:

- Look at the causes of global warming and debate different scenarios;
- Learn how to make decisions that promote and sustain better physical, mental and emotional health;
- Develop a growing awareness of the adult world recognising that there is a range of work that people do and a variety ways that people contribute to society and
- Design packaging for a game considering the material and whether it is recyclable.
